

Engineering Permit Application Telecommunications in the Right-of-Way

CITY ID NUMBER: ENG – 24 – _____

Project Name:	Date:
Project Location:	
Construction Description:	

ENGINEERING PERMIT APPLICATION REQUIREMENTS

1. This Engineering Permit Application Form must be filled out before it may be submitted for an Engineering Permit.
2. The contractor must have a valid license and be in good standing with the Arizona Corporation Commission, Registrar of Contractors, State of Arizona, and the City of Avondale to be issued an Engineering Permit.
3. A copy of the contractor’s insurance certificates (COI) meeting the City’s minimum requirements for work in the right-of-way must be submitted.
4. Owner/Lessee must have a valid License Agreement with the City at time of permit submittal and issuance. A Performance Bond and/or Letter of Credit may be required per the Agreement and must also be on record with the City at time of permit application and issuance.
