

Aspiring. Achieving. Accelerating.

PROCLAMATION

ARIZONA ON ENERGY EFFICIENCY

WHEREAS, energy efficiency is a fundamental component of a sustainable and prosperous future for our community; and

WHEREAS, residents can commit to fostering economic development and environmental stewardship through the promotion of energy-efficient practices and technologies; and

WHEREAS, energy efficiency measures not only reduce energy consumption and greenhouse gas emissions but also lower utility bills, create jobs, and improve the overall quality of life for residents; and

WHEREAS, energy-efficient buildings, transportation systems, and infrastructure are essential for attracting businesses, creating a competitive advantage, and enhancing the long-term resilience of our community and

WHEREAS, energy efficiency is a cost-effective and readily available solution that can be implemented by individuals, businesses, and government entities alike; and

WHEREAS, recognizing the importance of collaboration and education in achieving our energy efficiency goals, and supports partnerships with local organizations, businesses, and residents to raise awareness and implement energy-saving initiatives; and

WHEREAS, October is recognized nationally as Energy Efficiency Month, a time to celebrate the progress made in energy efficiency and recommit ourselves to further action.

NOW, THEREFORE, I, Kenn Weise, Mayor of the City of Avondale, Arizona, do hereby proclaim October as Energy Efficiency Month in the City of Avondale, and encourage residents, businesses, and organizations to join in the effort to make our community more energy efficient. I encourage everyone to take advantage of available resources and incentives to implement energy-saving measures in their homes, workplaces, and daily lives. By working together, we can create a brighter, more sustainable future for generations to come.

Mayor Weise
