Source where deviation is requested?

() Section _____ of the GER Manual () Section _____ of the MAG supplement manual

Narrative attached? () Yes () No Site/Civil plans attached? () Yes () No

Engineering analysis attached? () Yes () No Analysis Type (i.e. traffic study): _____

Per City of Avondale Municipal Code Chapter 21-44, the applicant may request a deviation from engineering guidelines in cases where unusual topographic conditions, nature of existing construction, unique or innovative development design or similar factors would make adherence to the width, design, or alignment impracticable. Under no circumstances shall self-imposed conditions or economic hardship be considered as a justification for granting a modification.

Check which condition applies: () Unusual Topographic Conditions
() Unusual Nature of Existing Construction
() Unique or Innovative Development Design

Signature of Applicant: _____ Date: _____

Signature of Property Owner: _____ Date: _____

Signature of Engineering Director: _____ Date: _____

(Please review the submittal requirements. Incomplete requirements will not be accepted)
