PROCLAMATION

WORLD BRAIN DAY

Whereas, the City of Avondale recognizes World Brain Day, observed annually on July 22, as a vital opportunity to promote global awareness of brain health and the importance of preventing and treating neurological disorders; and

Whereas, the City of Avondale recognizes World Brain Day, observed annually on July 22, as a vital opportunity to promote global awareness of brain health and the importance of preventing and treating neurological disorders; and

Whereas, July is an important month to raise awareness about Alzheimer's disease and other neurological conditions, highlighting the strength and resilience of those affected, alongside the dedication of their families, caregivers, and communities; and

Whereas, promoting brain health through education, healthy lifestyles, social connection, creativity, and lifelong learning empowers residents to protect cognitive vitality and live fulfilling lives; and

Whereas, the concept of brain capital, recognizing brain health as a vital economic and social asset, underscores the need to invest in research, education, and supportive environments that strengthen community cognitive resilience and productivity; and

Whereas, during the month of July, the City of Avondale joins communities globally in celebrating brain health, supporting those affected by Alzheimer's and other neurological conditions, and promoting activities that inspire hope, connection, and wellness; and

NOW, THEREFORE, on behalf of the Avondale City Council, the City of Avondale, Arizona, hereby proclaims July 2025 as World Brain Day, and encourages all residents to participate in activities that promote brain health and support individuals affected by neurological conditions.

Proclaimed this 7th day of July 2025.
